

To Whom it May Concern:

I find it appalling and wildly inappropriate what Sinclair broadcasting is trying to do with it's anti Kerry programming so close to the most important election of my lifetime. I consider myself fairly moderate and haven't yet made up my mind as to whom I'll vote for, but I find this kind of bull-doing by a major media organization very scary. I hope the wisdom of the FCC prevails here and the program is not force fed to America.

Thanks.
